 Special Needs

 American
 Indian

Use National Standard Codes (see back) to determine the following:

Activity Type: _____ | Project Discipline: _____

NARRATIVE: *Complete in space provided or provide an attached sheet.*

Briefly describe how this project met your objectives. Be sure to mention any challenges that arose during the project implementation.

Briefly explain how this project impacted your experience as an individual artist.

How did you evaluate your project?
What was the most positive outcome of your project?

ATTACH the following:

- The final budget supported by copies of receipts, invoices and other information that supported your project's expenditures. (*See next page.*)
- Publicity samples, programs, brochures, postcards, photographs, testimonials, etc. related to this project.
- Evidence that MAC is acknowledged for its support.

Failure to submit these documents may result in the delay or eventual cancellation of this grant. If you have any questions about these requirements, please contact the MAC office.

SIGNATURE:

I, _____ (grantee) certify that all information contained in this report is factual. As such, I am requesting the final payment of my award in the amount of \$_____.

Authorized Signature (Name & Title)

Date

BUDGET (Actual)

On a separate sheet(s) of paper, please outline your project's budget:

Project Expenses – Project Income = Amount of MAC grant requested

(actual, detailed) (actual, detailed)

Project expenses: include all expenses related to your project such as artist fees, supplies and materials, equipment/rental space, marketing, ads and/or anything else that was necessary to ensure that the project was successfully completed. Refer to the budget you submitted with your grant application.

Project income: include all monies allotted to the project, such as other grant, business or individual support monies, ticket sales, CD/book sales, applicant cash (credit card), etc.

**Provide receipts and invoices to support all your figures.*
